ALEXANDRIA MARKET, March 21,-There is a

firmer fooling in Flour though thore is no actual

BALTIMORE CATTLE MARKET, March 20

Prices this week for Boef Cattle ranged as fol-

Receipts for the week 947 head; sales 799. The market to-day has been much more active

Sheep-Tho receipts are a few hundred more

than last week, but without any improvement in

the quality, but with some cutside demand and free purchases on the part of butchers, the offer-

ing were so'd out at an early heur. Prices ranged for Sheep at 4.7 cts and Lambiat 2, \$5 50 per head and 41262 cts per 1b gross. Receipts this week 1696 head.

better and in others not quite as good, averaging about the same. The lighter in a seems am-

prices, as there are more sales at and near our top figures than there were last week. Prices ranged at Sixol cis. with extra a shade higher

most sales being at \$1:91 cts per lb net. Receipts

How to Make a Good Cup of Coffee or

2 ca

Is an every day inquiry. The great want ha been for a suitable vessel in which to prepare in a state of purity and perfection these highly prized baverages. These results can only be

obtained by preparing the coff-e in a vessel that prevents sile cape of steam or flavor, and in

which the beverage is made by infusion instead of boiling. Such we cill you in the "IDEAL COFFEE POT." They are simple in construction, pretty in design, highly polished and made of the best imported tin. There is nothing to get out of order and the second of the construction.

get out of order and they are reasonable in price.

Weather Probabilities. Mar. 21 1882. ne Eddle Atland: States rein, followed aring, cooler weather, winds thising to set and northwest, with rising barometer

THE STRIKE AND THE CANAL -The mines the Cumberland region are still deserted and he minera, while positive in their refusal to go work at the fifteen cents per ton reduction, Information received in this city cays that the reply of the miners of the Camatland coal region to the operating companies made public. They do not concede . the increased hours of labor prethe recly is couched in moderate custo, and suzgosts a conference committee ers and employees, with the bope of a wadius ment of all differences. It is that the officers of the company mines will not listed to the propetion of the Keights of Labor for an arbitranon committee, and the prospects are that the

an sland a strike if the miners can. reannumber of loaded boats lying at and ready to start as toon as the canal y hu: that the strize will cause a commencement of the coal trade there is no doubt.

and of the strike is not near. It is claimed that

he compasies have plenty of coal on hand and

case and Ohio Canal was held at Annapo is r Gormon, the President of the not present, he being unable, in the serious illness of his lutle with diphtheria, to leave Washington.

Chargussing for HARMONY .- A short time which the readjuster party of this city is diviled for a meaning to devise means to bring ships supstiting like barmony in the racks.— The proposition was stocaded by a few others and a meeting was arranged for. This meeting either did not take place or failed of its puiesse, and another consultation was called for. a response to the out, about fourteen, all of same mind, assembled in the office of Mr. Hanad Barka last night, as one of them said his meraleg, to 'discuss matters." This section terminated without anything being acomplished, and the "Grindstone" and the Windser sommittees are now as for apart as were. At the consultation a numwere talked about, the police that is now egitating the mind of the readjuster. persion of the time of the causes lest night was this morning, who has lately joined the jariors in certain cases. "Grindatono gaue," said Mr. Windsor's views is regard to the applies ment of two "funders" on the police commession would certainly

Coursey School Poard, -- In pursuance of cell so informal meeting of the County Bahoel Board was held at the old Court House in this with Geo. R. Adams, as Presideat, and Berj. Austin, Secretary, Immedistrib sher the meeting a controversy took place between the scoretery and the vice-presideat, it it. Lacey, resulting in the vice-presiless stating that he would not sit in any meeting of which Berj. Austin seted as sceretary. Whereupon Mr. Austin stated that he was at the meeting not only as secretary of the Sepool Board, Lu: as a representative of a majority of the veters of Alexandria county .-A war of words then ensued, and there was, recent visit to Freedman's Villago.

Accordance - Mr. George Ettis, a bride balder of this city, while working at the Wastissten end of the loop bridge, yesterday, met si ha paintal ace deat. An adzi standing on a learn fell and hadly out his right foot near the achie. The wounded man was brought to his home, in this city, on south Washington strest, where he was attended by Dr. Liwis. Hoory Paraons, a brakeman on the Virginia Midland Railway, while compling ours on Union street last night, was by the slipping of the tumpers, o ught between two freight cars and though not seriously, mushed about the body. The injured man was carried to the the of Dr. Lawis where he received atten ion' il was then taken to his home, en North Par

soil at private sale, Saturdsy last, two dwelling sources and lots near the corner of Franklin and fair of itrees, to Mr. Wm Hartbauer, for al 500. A good deal of property has changed hards within the past few months, and it is said the priess indicate an increase in values. A summer of lets recently purchased by different parties hardtofore named are to be improved by the rection thereon of buildings, the work to de commenced as soon as the weather settles. Masses, B. F. Price and James E. Waddey are stepsing to commence the erroton of a row of on the lot on Comeron and Columbus proposed fow of fine dwellings ba a great improvement to that section, but will increase the value of the other property is the neighborhood.

RAILROAD CLUB ORGANIZED. - Miss, Jennie Small, superintendent of railroad work of the National Women's Christian Temperance Union, held a women's meeting in the ball of the R form Club yesterday evening, and after an address on the importance of special (Hor.s fir the selvation of railroad men, organized a lades' club, to be known as the "Alexandria Railread Club," with Mrs. Bollo Lyles as Pret-

A lago and onthusias ic meeting was held in the R form Club hall last right, at which addresses were made by Miss Smith, Rev. Dr. Panison and others.

HYDE & BEHMAN'S STAR SPECIALTY CO .-As well to seen by advercisement elsewhere in te-day's Gizitto Hyde & Bahman's Star Speoalty Company wil give an entertainment at Armery Hall in this ci v Mordey night bext. This Company," the Patisburg Lander says, is not only the best of the Hyde & Bobman esterpt s s, but is in many respects the supefor of any o her tou teville show that has yet been said on the read in this country." What is promised on the bills is given on the

THE IRON WORKS,-The building of the Foreman Manufacturing Company is being exditional farances to be erected there. The erec-tion of a new pudding furnace has already been Commerced and Cap. Brooks says he will have thin operation in a short time. The found tions for two other furnsces are being dug. The rail altra & running to the end of the wharf is be as repaired and that in good order. A lot of iton was sharped to Philade pais from the works by the steamer Borfolk this morning.

THE MARYLAND FERRY .- The Finance Couwittee of the City Council was to have held a meeting last night to consider, imong other things, the polition of numerous ciez ins arking a sub cup ico of \$1 500 to the aspiral stock of a company to be organized to ruo a steamer b.tween this city and the Margland shore, opp. sire. Only two members of the committee made their appearages, and the question was 193; taken up. Another meeting of the committee has been called for Friday night.

Messra, D. Ruben & Co. have opened at A. C. King thest, pext to H. Strauss' a now Bio and Show Store, where they will keep a arge and visied stock of goods, to which they isvice the attention of the public.

WINDOW GLASS and PUTTY-A large jangs tupply just received. E. H. LEADSEATER & BRO.

LOCAL BREVITIES. Mr. and Mrs. Joshus Ellis bave issued cords for the celebration of the tenth antiversary of their marriage, to take place April 8.

The U.S. training ship Portsmouth is still anchored in the river off this city waiting for a air wind to carry her to Hampton Roads. Major J. W. Walker, fermerly of Madison county, but now of Montans, was in this city to-day, looking hale and hearty.

The remains of John R. Garner, formerly of this city, whose dasth occurred in Uniontown Sunday last, were brought here to-day and in-

The sale of the effects of S. Chapmen Neale commenced this morning on the premises, corner of Duke and St. Asaphste. The attendance was large. Nothing but books were put up today, and they sold freely at good prices. Mr. Wm. F. Carne has received his commis-

sion as Superintendent of Public Schools of this city. He will qualify before Justice Whittlesey this week and enter upon the discharge of the duties of the office on the first of July next. The lady friends of the Relief Hook and Ladder Company met in the hall of the company yesterday atternoon to make arrang ments for the fair to be held at Armory Hall early in May. Apples..... Dried Peaches, poeted...... Uppeeled...... Dried Cherries..... Another meeting will be held at the same place Thursday evening next, at 8 o'clock.

Legislative.

There was a very thin attendance in the Setate yesterday. The joint resolution vacating the offices of the Doaf, Dumb and Blind Institution at Staunton, was passed.

Mr. Koiner protested against i a passag ». Under the provision of the resolution the effe is are declared vacated in April.

The bill su horizing the Governor to appoint three inspecting officers (with the rank of ourand a suggestion was thrown out by some of taic, and to serve without par) for each conthe members of one of the several factions into grossicoal district, was ordered to engrossment. A bill was also ordered to engrossment authorizing the fination of battalions of infan ry.

The bill proposing to allow the Richmond & Danville Railroad Company to sattle its icdebtedbeis to the State in bands to be istued under the Riidh barger bill was ordered to en-

In the House of Delegates twenty-, we bil's were reported from the various committees, among which were the following:

To modi'y the off. c) of moswers as evidence in chancery suits; to smend the Code in relation to the jurisdiction of equity to enforce till ferming the maio topic. Who judgment-liene; to make husband and wife are to bo the commissioners? is the question competent winteses is all cases afficing the advance. Wheat is higher but little is coming esparate estate of the wife ; to allow superperin and we note sales at 135 for Fultz, 137 for mixed and 140 for Lancaster—though fancy lots would bring nigher prices. 7.0 bushels of Corn sold at 81. No Kye or Oats reported. and it is not at all improbable that the greater visors of the several counties to administer oaths to paries having seconds against the wreating with this problem. One ocuation; to provide miletge and expenses to

Bills were introduced to incorporate the Shenandosh and North Mountain Railway Company; to iccrease the jurisdiction of courry judges; siring the ones of the State of Virginia to the pure age by the United States of a ir.c: of land at Yorktown for the purpose of erecting a monagon in commemoration of the surrender of Corowallis; to amend the Code in relation to the appointment of sergeants and juliers; to preserbe a special cash for sudents before registering or voting; and relating to attorneys at law.

POTATOES AND PROTECTION .- Batter from Ho's:ein, cabbag; from Germany and now potatoes from Sattland-this is the clarming report of those whose business it is to note the record of our importations. We submit to the statesmen of the protection school that three ar a short sesson, a live'y time. No business great American industries-oabbage, butter and was transacted by the Board, other than the potatoes-are sericusly threatened by the pauresident of the report of Dr. Monds on his per labor of Europe and that steps should be taken immediately to save them from destruction. A good stiff duty should be imposed at The imposition of ear cha fifty per cont wou'd exo'u to the foreign products from our markets, and double the price of the native erticles. In this way the possessor of a potato patch might become a milionosire in a this week 6255 need. short time. - N. 1. Herald.

Mary coffee drinkers have undoubtedly been disturbed by the wife'y published theories of Dr. Ecek, of Leipsie, who pronounces e ffie and tes to be the chief causes of nervousness and peevishness so common in our time. Upon this point, however, declars designes, and we find the Heary Segur argaing that the choose of those boverages are far from marrious. As a remedial while its ten promotes digestion, and otherwise stories a healthful in fluence upon the system. To confirm this belief he points to the fact that REAL ESTATE SALE, &c -Mr. Oliver Pullman habitual collie drinkers are generally healthy, and live to a good old age.

> ing of this association will be held to night at 72 Colock in the class room of the Methodist Episconst Courch.
